Richardson County
Arts & Humanities Council
January 2021

Dear Members and Patrons:

We are pleased to write this newsletter to you to let you know that “we are still here!”

After the disruption of the unprecedented previous year due to the worldwide corona virus pandemic, we are hopeful that we will be back in the Stalder Gallery in 2021. It is our 16th year as an organization bringing cultural arts and humanities programs to the citizens of Richardson County and surrounding area.

Shortly after the Student Art Show in March 2020, the pandemic caused the abrupt halt of all the scheduled art exhibits and programs in the Stalder Gallery. The cultural arts scene has been greatly impacted by the pandemic. Venues closed and art expositions and programs were put on hold or cancelled. We want you to know that we are looking forward, with enthusiasm, to take up where we left off! Plans are being made to have the annual Student Art Show in March, with Covid-19 safety recommended guidelines. We are hopeful that more art exhibits and programs can be scheduled in Stalder Gallery in 2021!

January is our membership and patrons financial support campaign. Currently, with the uncertainty of the pandemic overreach, exhibition and programs have been postponed or are being rescheduled for the Stalder Gallery. We are mindful, however, these require monetary funds to bring them into the gallery, therefore we graciously ask that you will consider supporting our mission with your financial support. When we are able to schedule

further exhibitions and programs, they will be announced in the media. We are hopeful the Stalder Gallery will, in the very near future, be the venue to inspire, promote, cultivate and sustain the arts for the citizens of Richardson County!
