

2019 Junior Friends of the Falls City Library & Arts Center

The Junior Friends of the Library are volunteers comprised of students in 6-12 grade. They will have meetings once a month at a designated time. During these meetings you will plan young adult events and programs and discuss fundraising ideas. The Junior Friends will assist in the Children's department by helping with children's programs, book shelving and sorting, cleaning, decorating and helping to prepare for library events. In order to be an official member of the Junior Friends of the Library, a student must attend at least 15 hours of meetings or events throughout the year. Being a Junior Friend of the Library will look great on your resumes and college applications!
